"Liz and her team at Blink Living did an amazing job of styling our property for sale.... They were professional but still very approachable, the stylists matched the style we were after and I am very happy to say that they did such a good job that the new owner got them to fit out the entire house when it settled. I recommend them to anyone who is wanting to style their home for sale or fitting out their home to live in."

TWYLLALEE BELETTE, OWNER, SUNSHINE BEACH

"We recently used Nick Counsell from Blink Living to stage our property for sale and would highly recommend their services.... Nick and the team were incredible to deal with and took the time to get to know the property and style we were after. We were extremely happy with the outcome and if you are considering property staging you must give the team at Blink Living a call."

DAMIAN REED, DEVELOPER, PELICAN WATERS

"Logan was fantastic! She styled a property that I had listed for sale... Every single person who came through the property commented on how good the property looked and it resulted in 3 offers and a sale. She is quick and efficient and has a great eye for potential when styling a space. Great work Logan!"
